

Stage Eleven

With the cancellation of Cameron's Chris Kerr Memorial RR the Jim Menzel Racing Series will culminate with the Cleghorn Harvest Fest Bicycle Race. What does all this mean? Well first the Polka dot Jersey will be settled after 3 races instead of the usual 4 races. This will make all three very important if you are that person vying for that jersey. Next the Yellow and Magenta Jerseys will also be finding their owners at this race. Cleghorn provides 42 miles of hills over a two-lap course of 21 miles. Look for the climbers to set the early pace to separate themselves from the main fields and to look to get those valuable polka dot points and Yellow/Magenta points.

With this being the first year of the Jim Menzel Racing Series for two special individuals, it will have a special importance. Winners of the magenta jerseys will forever have the jerseys named after them. This will be quite an honor and something worth all of the work put into racing for those jerseys. I know that the winners will be well represented in their new jerseys.

With the end of the Jim, Menzel Racing Series for 2009, look forward to new stages in 2010 and just like any tour, new and different stages will call on teams and individuals to come up with new strategies and race plans to compete with the JMRS members. Individuals will look to repeat and new members will look to pull on those special colors next year.

All Jerseys will be awarded to the winners at the WISPORT worlds so please mark your calendars for this fun and exciting event.

Thanks for racing in the JMRS

Matt
