

3rd Annual WiSport World Championships & Open Races

Come join us in a cycling celebration on Saturday, September 26th for our 3rd annual WiSport World Championships!

Last season we introduced a new venue and again we will run all events at this new course. As most of you are aware we also opened the event to non-WiSport members. If you are a Pro 1-2-3 USCF caliber rider and would like to race for cash and prizes **in your own field** (WiSport members have their own race starting at a separate time) then sign up.

The course will be safe but challenging featuring a 1.2 mile climb with 8-12% grades with a rolling descent included in this 13.5 mile lap event. We'll start you in downtown Waumandee Wisconsin and after 3.5 miles you'll have gotten on the circuit for the start of 3 laps. Those strong enough to be at the front will battle it out on the 3.5 mile flat run in to the finish in front of the throngs of people who will watch you potentially raise your arms in glory! That's approximately 49 miles of racing for \$25 and if you sign up for the Time Trial (additional \$5) your \$30 makes you eligible for \$100's of dollars in cash and merchandise! But wait that's not all! If you can find two other people to go along with you in both the TT and RR you can call yourself a team and **the lowest combined times from each of you from both events** (yes, this is a timed event!) your team can take home an additional \$100 along with some nice merchandise to boot!
